About The Caddy Club

LOGLINE

Kids in a vacation golf camp unexpectedly become secret crime-fighting superheroes when they discover a magical portal.

SYNOPSIS

To keep them out of trouble over the school holidays, gang-affiliated Ryan (12), Akil (12) and Jamal (9) are sent to a youth golf camp where they meet their new golf coach's granddaughters, Tameka (6) and Keisha (12). While chasing a ball that lands in the roughs, Keisha discovers a secret hole with an invisible portal to an ancestral realm. All five kids cross over to the magical realm where they meet with ancestors who gift them mystical tokens containing the powers of love, courage, cunning, wisdom and motion to fight crime lords recruiting young children to join their street gangs. But their new crime fighting power comes with one important condition — they must keep it a secret. Determined to save their friends from a life of crime, the five kids take up the challenge to covertly defeat the neighbourhood gang, and become...THE CADDY CLUB!
